Liewe Ouers / Dear Parents

Die nuwe jaar is volstoom aan die gang. Ons lesse het begin, oudisies is gehou en nuwe plasinge gemaak; ons jaarlikse ouervergadering het laasweek plaasgevind en die orkesvergaderings kom die week aan die beurt, waarna ons orkeste weekliks in volle swang begin oefen.

I would like to take this opportunity to welcome back Ms Zelda Wepner, returning from her maternity leave.

Our new teachers this year are:

- Ms Vanessa Phillip, teaching piano, theory and Basic Music Education in room B10;
- Ms Megan van der Merwe, teaching guitar in B12.

Mr Herman Louw, our new facilities manager, also joined us this year to oversee the management and maintenance of our facilities. He will be paying extra attention to health, safety and security requirements, so you will see some changes happening around our premises. Please support us in these initiatives, because we do want the Hugo Lambrechts Music Centre premises to be safe for all.

In this regard, I would like to emphasize that only dedicated parking areas be use to drop off learners. Please do not block the traffic flow by using the road in front of the entrance foyer as a drop-off zone, because it is hazardous to our children crossing the driveway.

Kindly be reminded that tuition fees for this term must be paid this week, unless you have made alternative arrangements with the financial office.

Yours faithfully

Dr SM Voges
