Dear Parents and Pupils

MUSIC CENTRE REMAINS CLOSED DURING THE LOCKDOWN

As we enter the second week of the Covid-19 national lockdown, I would like to remind you that our Music Centre, as all other schools in South Africa, remain closed until further notice.

Reflecting on the impact of this pandemic all over the world, it is becoming more and more evident that traditional face-to-face teaching will never be the same. We do, however, remain committed to delivering quality music education to all our pupils. Hence our teachers are starting to explore online distance learning options to stay in touch with their individual pupils to track their goals and planned progress for the year.

I strongly encourage you to embrace these new technologies our teachers are introducing, as we do have the best interest of every Hugo Lambrechts learner at heart.

Stay inside, stay well and stay healthy.

Yours sincerely
